

Carpenter's Workshop is a holiday tradition at Rose Hill. It is an opportunity for children to make their own gifts for family and friends. Aside from being an inexpensive alternative to Christmas buying, it gives children ownership and delight in gift giving.

To order your gifts, help your child decide which items they would like to make (limit it to one of each gift per child, please). There is also a place on the form to order lunch so you can take a break during your day. Complete the form and return it, with payment, to the church. **One form per child, please.** Turn in your order by Monday, November 14, so we can be sure to have enough supplies. Craft quantities are limited and will be given on a first come, first served basis, so order early.

Invite a friend! For extra order forms, call the church at 425-827-4649 or go to www.rosehillpc.org to download one. If you have questions, call Tobi Ellis at 425-814-2272.

When you arrive on Saturday, November 19th, everything needed to make the gifts will be ready. Stop by the order desk inside the gym where you will receive a ticket for each gift chosen and a bag to carry your creations home. There will be signs directing you to the different "shops." The shops will be open from 10 a.m. to 2 p.m. **Each craft takes approximately 15-20 minutes to complete, so please arrive in plenty of time to complete all the gifts you have ordered. Please remember that an adult must accompany your child at all times!**

Our hope is to provide you and your family with a fun time to focus on the spirit of giving during the holiday season. May God bless you this Christmas.
